## FRECKLES

Don't Hide Them With a Veil; Remove Them With the Othine Prescription.

This prescription for the removal of freckles was written by a prominent physician and is usually so successful in removing freckles and giving a clear, beautiful complexion that it is sold by druggists under guarantee to refund the money if it fails.

Don't hide your freckles under a veil; get an ounce of othine and apply them. Even the first few applications should show a wonderful improvement, some of the lighter freckles vanishing entirely.

Be sure to ask the druggist for the double strength othine; it is this that is sold on the money-back guarantee.

## GA. CORN CROP SHOW'S INCREASE

Northeast Section of State Shows Decided Progress in Grain Culture.

ATLANTA, Ga., April 15.—Interesting figures showing increased production of corn in northeast Georgia, particularly Rabun and Habersham counties, were given out today by Mr. H. W. Miller, assistant to the president, Southern Railway and who is also an officer of the Tallulah Falls Railway Company, the line of which lies in Rabun and Habersham counties, Georgia and Macon county, North Carolina.

The records show that in 1913 there were shipped from stations on the Tallulah Falls 4 solid cars of corn and 51,826 pounds moving in less than car load shipments, while in 1914 42 solid cars were shipped and 297,347 pounds in less than car load shipments, an increase of over one thousand and per cent in car load shipments and nearly six hundred per cent in less than car load shipments.

"These figures give eloquent testimony to the agricultural progress being made in the mountain counties along the line of the Tallulah Falls," said Mr. Miller, "and show that the people of those counties are taking advantage of the opportunities to produce food crops for which they can get good prices. It also shows that there is no ground for the belief at one time current that new corn grown in this section was shipped packed in jugs."

Carrying a Load.

Two men were complimenting each other on their habits of temperance. "Did you ever, neighbor," said one, "see me with more than I could carry?"

"No, indeed," was the reply, "but I have seen you when I thought you had better gone twice after it."—Pittsburgh Chronicle-Telegraph.

Bl. Day Fire at Tupelo.

TUPELO, Miss., April 15.—A lighted cigarette, thrown away by a tramp today, caused a fire at the Gulf Coast Press company's plant here, destroying 1500 bales of cotton with a loss estimated at \$75,000.

## LIVESTOCK DAY AT GREENWOOD SUCCESS

BUYERS FROM MANY STATES PRESENT—GOVERNOR MAKES ADDRESS

## MUCH CATTLE SOLD

W. W. Long Says All Cattle Raised Can Be Easily Sold For Good Prices.

GREENWOOD, April 15.—Gov. Manning's eloquent plea for cooperation on part of all classes of citizens in the line of endeavor that has been mapped out, and is already productive of results, by the department of agriculture and Clemson College was admirably exemplified in the audience which he addressed at the court house Thursday morning. For Livestock Day in Greenwood, the first of its kind ever held in this county, is attended, in fact, celebrated, not only by the farmers, but by representatives of every calling. The large assemblage at the morning exercises was composed of 150 cadets from the Bailey Military Institute, the president of Lander College, many ladies of the city and county, ministers, lawyers, merchants and representatives from similar professions in adjoining counties.

Attracted to Greenwood by the address of Gov. Manning, perhaps primarily, the several hundred people here divided their time with giving the chief executive of the State the closest attention, interspersed with much applause, and an inspection of the exhibits brought from all sections for the buyers of large firms in Jersey City, Baltimore, Richmond, Columbia and Augusta who were brought to Greenwood by Mr. W. W. Long, of Clemson College. One hundred and one head of Greenwood County-raised cattle was sold at the fair grounds this afternoon. Mr. Long insisted that for the present these days shall be known as "cattle days" not "beef days," because it is only a "starter" for greater things in the future. He assured the farmers in a short, practical address that Greenwood cattle can be sold if raised and that by next year markets would be established at several central points of the State.

Resolutions Adopted. So encouraged were the members of the Greenwood Livestock Association and so appreciative were they of the interest shown by those who have taken an interest in the sale, resolutions were adopted after Gov. Manning's address thanking President Fairfax Harrison, of the Southern Railway, for sending his representative, Mr. E. C. Gatewood, to assist with the sale. Mr. Driver, for his presence, Swift & Company for sending their head buyer, Mr. McDonald, Mr. W. W. Long for his able talk and Gov. Manning for his excellent address.

Prof. John O. Williams, of Clemson College, and Mr. C. B. Faris, county demonstration agent, are also due much praise for the success of the day. They have given their best efforts in assisting the farmers to prepare their cattle for market and are largely responsible for the gathering of not less than 1,000 farmers here today.

## YOUR SICK CHILD IS CONSTIPATED! LOOK AT TONGUE

If cross, feverish or bilious give "California Syrup of Figs."

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given.

If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look! Mother! see! If tongue is coated. This is a sure sign that it's little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mother can rest after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle. Beware of counterfeit figs, syrups. Ask your druggist for a 50-cent bottle. Then see that it is made by the "California Fig Syrup Company."

## ELECTRIC CITY SPARKLETS

Felton Visiting County Schools.

For the past several days County Superintendent of Education J. B. Felton has been making daily trips into the country visiting various schools and making thorough inspections of the work under way. Yesterday he visited Zion school and found everything in fine shape.

Yankies Here Fifty Years Ago May 1.

"Two weeks from tomorrow, or May 1, will be 50 years since the Yankees invaded Anderson," said an old resident yesterday, who was a youngster of this city during those stirring times. He went on to recite interesting incidents of those days and especially the day the Yankees appeared in Anderson.

Baseball Game This Afternoon.

At 2 o'clock this afternoon at Buena Vista park the baseball team of Honea Path high school will play the team of the Anderson High school, and an interesting game is promised. Some days ago the Anderson bunch journeyed to Honea Path for a game with the latter and came away with a licking. The local bunch are exceedingly slow to imagine such a performance being repeated this afternoon and are going to put up a stiff fight to wallopp the "furriners."

No Memorial Day Exercises This Year.

The usual Memorial Day exercises in the court house will be dispensed with this year, but the graves of the veterans in the several cemeteries about the city will be strewn with flowers. The R. E. Lee Chapter held a meeting recently and decided that, inasmuch as Memorial Day falls on the opening day of the Chautauqua, it would be unwise to have the exercises held usually in the court house. The Dixie Chapter has a perpetual decoration in the cross of honor for the dead, which originated with this chapter and has been adopted very generally throughout this State, and in many others. This true cross is a large replica of the small bronze cross of honor which is given to living veterans, and is placed at every grave of a Confederate veteran. The ones to be placed this year are to Mr. J. A. Brissett, Mr. G. M. Harpner, Mr. J. B. Sanders, Mr. J. H. Burdine, and Mr. J. W. Medlock.

## In Honor of Miss Mary Dunovant.

One of the largest and most beautiful of the post Easter card parties was given yesterday afternoon by Mrs. Marshall Orr, at her handsome new home in North Anderson. The beauty of the already attractive rooms were further enhanced by many lovely spring flowers, violets and long graceful sprays of waterlilies, being used in profusion.

The guest of honor was Miss Mary Dunovant of Chester, Mrs. Orr's attractive sister. Eight tables were formed and several interesting games played. Mrs. G. B. Greene made the highest score and was presented with a beautiful potted hyacinth. The honor guest was presented with a lovely box of crepe handkerchiefs. After the cards were laid aside an elegant salad course, with ices was served.

Receives More Very Fine Fish.

"I have received four large shipments of very fine fish this week, my last order coming in today," said C. F. Power, the well known fish merchant, yesterday in speaking of a splendid outlay of sea food which had just come in. "And by tonight," he continued, "I bet I won't have a fish left. Anderson is one of the best fish towns I know anything about." Mr. Power is advertising in The Intelligencer this morning the various kinds of fresh fish which he has just received. It is a tempting ad, to say the least.

Capt. Laughlin Has Received Commission.

Capt. Laughlin yesterday received his commission as postmaster at Anderson and will take over the affairs of the local office in the next few days, or as soon as the outgoing postmaster, John R. Cochran, can get matters in shape to turn over to his successor. Mr. Laughlin received recess appointment to the postmaster ship, and his appointment will be confirmed by the senate when it meets again. The friends of this genial gentleman will be pleased to learn that he has received his commission.

There's nothing slow about the automobile business these days, according to Archie L. Todd, the Ford representative in Anderson. Mr. Todd stated yesterday that during the past few days he had sold three nice machines to citizens of this city, one being placed with W. D. McLean, one with Eugene Watkins and another with George Hamlett.

Took Mother's Advice.

Some time ago a party named Brown married a pretty little thing, and after the usual honeymoon the young couple settled down to housekeeping. Little while wasn't much of a cook, but she managed fairly well in the matter of boiling eggs and frying potatoes, and hubby didn't grumble.

"Harry, dear," happily remarked wifey when hubby returned from the office one evening. "I have been baking a pie for you. I want you to come and see it."

"Why, so you have," responded Harry, hastening to the kitchen and taking a critical look at the pastry. "But what in the deuce is the matter with it? The crust doesn't half cover it!"

"Of course it doesn't silly," smilingly returned the young wife. "Your mother told me how to make the pie and she particularly said you like the crust very short."—Philadelphia Telegraph.
